

## About Olympus

At Olympus, we are committed to Our Purpose of making people's lives healthier, safer and more fulfilling. As a global medical technology company, we partner with healthcare professionals to provide best-in-class solutions and services for early detection, diagnosis and minimally invasive treatment, aiming to improve patient outcomes by elevating the standard of care in targeted disease states.

For more than 100 years, Olympus has pursued a goal of contributing to society by producing products designed with the purpose of delivering optimal outcomes for its customers around the world.

Olympus Europa, headquartered in Hamburg, Germany, serves the EMEA (Europe, Middle East, Africa) region and employs 6,900 people in 31 countries.<sup>1</sup> For more information, visit [www.olympus-europa.com](http://www.olympus-europa.com) and follow our LinkedIn account: [linkedin.com/company/OlympusMedEMEA](https://www.linkedin.com/company/OlympusMedEMEA).
